Omahoma Bob's Barbeque

(OMA-HOMA)
Southwest Style Barbeque

As with our fresh meats we start with the best. Our meats are then hand massaged using a blend of fresh spices and allowed to rest for 24 hours before moving to the smoker. Adding a blend of seasoning woods then slow cook smoking, our meat takes on its unique color and flavor giving it the distinctive red smoke ring. We call this "Dry BBQ" Bar-B-Q sauce can be added if you wish. Enjoy
